STAR GEMS

Star Gems is among the leading jewellery companies in Madhya Pradesh, who have chosen to step out of the crowd and make a bold foray into creating the best showrooms in M.P. The company is planning to open more than three lakh outlets in Madhya Pradesh and

Chhattisgarh. Director of Star gems said on 19th July that the company will launch its branded diamond jewelry. He also said that the diamond jewelry produced by Star Gems will be available at discounted rates compared to the other jewellery brands, without compromising on the quality. The jewelry here will be world class and IGI and hallmark approved. "We are the only brand providing high quality base Diamond jewelry in both, the wholesale and retail sector. We make progressive use of technology to achieve excellence in our work and services. You can find the best diamonds, the finest jewelry here and all at reasonable prices," says Saiyed Hanif.
